Objective: Position as Winemaker

Highlights:

- Dedicated to and capable of premium wine production
- 30+ years winemaking experience
- Work well in a team as well as independently
- Very trustworthy and reliable employee

Experience:

Tabor Hill Winery, Round Barn Winery, Free Run Cellars Buchanan, MI
Winemaker- reporting to CEO/partner August 2016 to January 2021

- Train, direct and supervise cellar staff; pre-harvest vineyard sampling and grape analysis to determine harvest dates; process grapes and other fruit; inoculate juice; monitor fermentations; blend, filter and bottle wine; enter winemaking data into computer database; lab analysis; forecasting for harvest and bulk wine needs; source bulk wine, harvest and bottling supplies; represent winery brands at various events.

Seven Hills Winery Walla Walla, WA Enologist- reporting to owner 3/2015 to 5/2016

- Process grapes; inoculate juice; monitor fermentations; blend and filter wine; enter winemaking data into computer database, lab analysis.

Sanjel Miles City, MT Frac Operator 3 11/2013 to 1/2015

- Conduct pre and post trip inspections on tractor/trailer. Drive tractor/trailer to and from job site; rig in/out to well head; operate equipment; transfer chemicals from tanker truck to totes.

David Derstine Trucking Milton-Freewater, OR Driver 3/2013 to 5/2013

- Conduct pre and post-trip inspection on truck and trailers. Load and secure straw bales onto double trailers and deliver to dairy; haul shipping containers to Port of Seattle.

Le Chateau Winery Walla Walla, WA Winemaker- reporting to owner
11/2010 to 3/2012

- Source bulk wines, blend, filter and bottle wine
- Process grapes, producing wine from estate vineyard, directing staff as needed
- Represent winery at various events including winemaker dinners
- Maintain and repair equipment, supply procurement

Claar Cellars Pasco, WA Winemaker- reporting to owner
12/2009 to 11/2010 and 4/2012 to 10/2012

- Process grapes, blend, filter and bottle wines
- Train and supervise cellar staff
- Maintain records
- Maintain and repair equipment, supply procurement

Cougar Crest Winery Walla Walla, WA Winemaker- reporting to owner
9/2005 to 6/2009

- Production Winemaker in charge of daily operations
- I made a number of improvements to the winemaking program including daily operations and workflow, blending, filtration and bottling.

Waterbrook Winery Walla Walla, WA Production Manager- reporting to owner
7/1992 to 12/2004

I functioned autonomously for the most part in performing the winemaking duties, enabling production to grow from 12,000 cases to 48,000 cases annually. I trained and supervised my cellar staff, performed routing lab analysis, kept winemaking records in computer database up to date, order supplies for harvest and bottling as well as all other winemaking tasks including bottling.

Education: UC Davis Davis, CA Bachelor of Science in Fermentation Science 1988
