

Dr. H. HOLLY WANG

Cell: (765)464-9272 Email: wanghong@purdue.edu

EMPLOYMENT

8/07- Professor and Associate Professor, Department of Agricultural Economics, Purdue University
7/97-7/07 Associate and Assistant Professor, School of Economic Sciences, Washington State University
8/96-6/97 Visiting Assistant Professor, Department of Agricultural Economics, Michigan State University

EDUCATION

Ph.D, Agricultural Economics, Michigan State University, 1996
M.A., Economics, Michigan State University, 1993
B.S., Management Information Systems, Tsinghua University, China, 1990

SELECTED VISITING POSITIONS

1/15-8/15 Visiting Scientist, Chinese Academy of Agricultural Sciences, China
6/14 –12/19 External Professor, Leibniz Institute of Agricultural Development, Germany
6/08-7/08 Visiting Professor, Helsinki University, Finland
2/05-8/05 Visiting Professor, China Center for Economic Research, Peking University, China
8/04-12/04 Visiting Professor, Faculty of Agricultural Sciences, University of British Columbia, Canada

SELECTED AWARDS

Fellow, Agricultural and Applied Economics Association (AAEA), 2023
Highly Recommended Paper in 2020, Emerald Literati Network Awards for Excellence, 2021
AAEA Quality of Communication Award, 2019
Bravo Awards for innovation and Creativity, Purdue University 2017
AAEA Quality of Communication Award, 2016
Outstanding Paper in 2014, Emerald Literati Network Awards for Excellence, 2015
Outstanding Paper in 2011, Emerald Literati Network Awards for Excellence, 2012
Advisor for AAEA Best Undergraduate Research Paper, 2016
Advisor for William Applebaum Outstanding Ph.D. Dissertation, 2013
Advisor for William Applebaum Outstanding Master Thesis, 2010

SELECTED LEADERSHIP EXPERIENCES

Director, Purdue Agribusiness Training Workshops, 2011-present
Conference Co-Chair, International Food and Agribusiness Management Association, 2019, and 2012
Executive Board Director, AAEA, 2014-2017
Founding Director, Professional MS Degree in International Agribusiness, Purdue University, 2014-2017
Founding Chair, China Section, AAEA, 2009-2010
Vice and Interim Chair, Committee of Women Agricultural Economists, AAEA, 2005-2007
President, the Chinese Economists Society, 2008-2009

SELECTED EDITORIAL SERVICES

Co-Editor-in-Chief, *Food Policy*, 2023-2028
Co-Editor, *Food Policy*, 2020-2023
Co-Editor, *China Agricultural Economic Review*, 2009-present
Editorial Board Member, *Journal of Integrative Agriculture*, 2017- present
Editorial Board Member, *China Economic Review*, 2011-2017
Editorial Advisory Board Member, *Agricultural Finance Review*, 2009-2012
Editorial Council Member, *Journal of Agricultural and Resource Economics*, 2003-2006

RESEARCH AREAS

Consumer preference and behavior, Food safety, quality and ethical attributes, Food demand and market Risks, Financial markets, Agricultural insurance
Food production and environment, Rural development, and Natural resource
International agricultural economics

STUDENTS ADVISED

Chaired 18 Ph.D. student dissertations, advised 25 Ph.D. research
Chaired 12 MS student theses, advised 31 MS/MA research
Advised 5 undergraduate honor theses

COURSES TAUGHT

Advanced Microeconomic Theory (Ph.D)
Agricultural Demand and Supply Systems (Ph.D)
Risk and Decision Analysis (Ph.D)
Advanced Agricultural Marketing (Ph.D)
Econometrics (MS)
International Marketing for Agribusiness (MS)
Agribusiness Finance (Undergraduate)
Food Supply Chain (Undergraduate)
Chinese Market and Business (Study-Abroad)

EXTENSION/OUTREACH PROGRAMS

Director, Purdue-SWUFEE Agribusiness Summer Training Workshops, 2011, 2013, 2014
Director, Purdue-JAAS Agribusiness Fall Training Workshops, 2016
Director, Purdue-ZJU Agribusiness Annual Summer Training Workshops, 2016-present
Director, Purdue-NAU Agribusiness Annual Summer Training Workshops, 2017-present
Director, Purdue-CULR Agribusiness Summer Training Workshops, 2019
Director, Purdue-RUC Agribusiness Summer Training Workshops, 2019
Director, Purdue-CCIEE Agribusiness Online Training Workshops, 2022
Delegate, Indiana State Agricultural Trade Delegation to Japan and Korea, 2014
Delegate, Indiana State Agricultural Trade Delegation to China and Taiwan, 2015
Author, An Income Risk Analysis Tool for Apple Growers in the Pacific Northwest, 2010

DIVERSITY, EQUITY AND INCLUSION EXPERIENCES

Founding Director, Purdue Chinese Performing Arts Troupe, 2010-present
Faculty Advisor, Purdue Han Culture Association, 2015-present
Chair, Diversity Committee of the Department of Agricultural Economics, Purdue University, 2020
Member, Search Committee for Purdue Vice Provost of Diversity, Inclusion and Belonging, 2018
Vice Chair, Asian American and Pacific Islander Faculty and Staff Association, Washington State University, 2005-2006

Invited Seminars and Talks (76)

1. “Consumer Behavior in Choosing Microplastic Contaminated Seafood in US, China and Korea: The Role of Cultural Factors.” Department of Agricultural Economics, National Taiwan University, March 15, 2023.
2. Same topic, College of Agricultural Economics and Development, Renmin University of China, October 25, 2022.
3. “Publishing Empirical Studies in SSCI/SCI Journals.” Seminar at Institute of Natural Resources and Regional Planning, China Academy of Agricultural Sciences, online, February 22, 2023.
4. “Impacts on and Responses of China to the Global Food and Agricultural Shocks.” Seminar at UMSL Global, University of Missouri at St. Louis, St. Louis, MO, December 5, 2022.
5. “Valuation of U.S. Higher Education under Covid-19: Students’ Willingness-to-Pay for Alternative Learning Options.” Stanford Center on China’s Economy and Institutions (SCCEI), Stanford University, November 2022.
6. “Risk, Arbitrage, and Spatial Price Relationships: Insights from China’s Hog Market under the African Swine Fever.” Food System and Policy Lab, CARD, Zhejiang University, August 10, 2022.
7. Same Topic, Seminar, Supply Chain and Operations management, Krannert School of Management, Purdue University, February 25, 2022.
8. Same Topic. Seminar, Department of Spatial Economics, Vrije Universiteit Amsterdam, Virtual,

- November 18, 2021.
9. Seminar, Market and Trade Economics Division, ERS, USDA, November 15, 2021.
 10. Same topic. Seminar, Department of Agricultural and Resource Economics, University of California at Davis, Virtual, November 10, 2021.
 11. “Leading a Successful Study Abroad in China Program.” Seminar, American Short-term Study Abroad Programs, SANNAM S4, Virtual, October 14, 2021.
 12. “African Swine Fever in China: Impacts, Responses, and Policy Implications.” Seminar, Agricultural Economics Institute, China Academy of Agricultural Sciences, Virtual, July 8, 2021.
 13. “Using Online Auction Experiments to Investigate Chinese Consumers’ Support for Anti-Poverty through Willingness-to-Pay for Food Produced by Poor Farmers” Seminar, College of Finance, Nanjing Agricultural University, Virtual, May 5, 2021.
 14. “Mobilizing the Public to Fight Poverty Using Anti-Poverty Labels in Online Food Sale: Evidence from Real Online Auction Experiments.” Overseas Famous Scholar Seminar Series #124, Center of China Agricultural Policy, Peking University. Virtual, October 18, 2020.
 15. “Panic Buying? Food Stockpile during Covid-19.” International Studies and Programs. University of Missouri, St. Louis, MO, Zoom, October 12, 2020.
 16. “Consumers’ Preference of Genetically Modified Foods Revealed through Non-hypothetical Experiments” College of Economics, Beijing Technology and Business University, December 2019.
 17. “Identify an Empirical Research Topic from an Interesting Agricultural Economics Issue.” College of Economics and Management, China Agriculture University. June 2019.
 18. “2019 Theory and Application of Choice Experiment Methods Summer Workshop.” China Central Agricultural University, Wuhan, China, June 2019.
 19. “Extended Econometrics Methods Application in Agricultural Economics.” College of Economics, Guizhou University, Guiyang, China, May 2019.
 20. “Publish or Perish: Publishing in SSCI/SCI Journals.” College of Economics, Guizhou University, Guiyang, China, March 2019.
 21. “Globalization at Crossroad: Prospects for Agricultural Trade.” Panelist, Plenary Panel Session, Zhongshan International Forum: market Integration of Agriculture in China. Nanjing, China, November 2018.
 22. “2018 Theory and Application of Choice Experiment Methods Summer Workshop.” Zhejiang University, Hangzhou, China, June 2018.
 23. “Trade Dispute between US and China in Agriculture.” Panelist, Roundtable Session, CES 2018 Presidents’ Forum: New Challenges for Economic Policy and Management. Ningbo, China, June 2018.
 24. Same topic, Panelist, Plenary Roundtable Session, The Chinese Economists Society 2018 Annual Conference. Hefei, China. June 2018.
 25. “Publishing Empirical Economic Studies in SSCI/SCI journals.” Anhui University of Finance and Economics, Hefei, Anhui, China, June 2018.
 26. Same topic, School of Economics, Nottingham University, Ningbo, China, November 24, 2017.
 27. “Chinese Consumers' Preference for Food Safety, Environment and Animal Welfare in Pork Consumption.” School of Economics, Nottingham University, Ningbo, China, November 24, 2017.
 28. Same topic, School of Business, Ningbo University, Ningbo, China, November 24, 2017.
 29. “Factoring Chinese consumers’ risk perceptions into their willingness to pay for pork safety and environment attributes.” College of Economics and Management, Inner Mongolia Agricultural University, Hohhot, China, July 9, 2017.
 30. “Market Risk, Integration and Government Policy.” Department of Agricultural Economics, Ningxia University, Yinchuan, China, July 1, 2017.
 31. “Does Animal Welfare Matter to Chinese? A Consumer WTP Analysis for Pork.” Business Economics Group, Wageningen University Research, Wageningen, Netherlands, June 6, 2017
 32. “Agricultural Risk, Risk Management Policy and the Frontier Research Methods: Practice in the U.S.

- and China.” Seminar Series, Institute of Agricultural Resources and Regional Planning, Chinese Academy of Agricultural Sciences, Beijing, China, May 31, 2017
33. Same topic, Center of Food and Health Economic Research, China Agriculture University, Beijing China, May 5, 2017
 34. “Role of U.S. Agriculture in Chinese Markets: Factors Affecting Chinese Food and Agricultural Trade.” CFare Lunch~N~Learn Seminar at the Senate, Washing, DC, October 2015
 35. Same topic, CFare Lunch~N~Learn Seminar at the House of Representatives, Washing, DC, October 2015
 36. “Food Attribute Preferences in China’s Restaurants: The Perspective of US Duck Industry Penetrating the Chinese Market.” International Studies and Programs. University of Missouri, St. Louis, MO, September 2015.
 37. Same topic, School of Business, University of Alaska, Anchorage, AK, July 2015.
 38. “Consumer Food Attribute preferences in China’s Restaurants: The perspective of the Duck Industry.” Zhejiang University, Hangzhou, China, June 2015.
 39. Same topic, Nanjing Agriculture University, Nanjing, China, April 2015.
 40. “Write for Readers: Publish in SSCI Journals.” Nanjing Agriculture University, Nanjing, China, April 2015.
 41. Same topic, Dyson School of Applied Economics and Management, Cornell University, Ithaca, NY, November 2014.
 42. “Succeed in Agricultural Economics Profession.” Meeting the Masters Panelist, International Conference on Food Security and Rural Development, Nanjing, China, October 2014.
 43. “Duck Consumption in Chinese Food Service Sector: A Study of Food Attribute Preferences.” Hebei Finance University, Baoding, China, June 2014.
 44. “On the Perspective of US Duck Industry Penetrating Chinese Market: A Study of Food Attribute Preferences in China’s Restaurants.” Department of Food, Agricultural, and Resource Economics, Michigan State University, East Lansing, MI, March 2014.
 45. “Chinese Aquaculture Producers’ Preferences for Safe and Eco-Friendly production Practices.” Courant Research Centre, University of Gottingen, Gottingen, Germany, November 2013.
 46. “Build a Successful Career for Women Economists.” *Department of Agricultural Economics and Rural Development*, University of Gottingen, Gottingen, Germany, November 2013.
 47. “Media Effects on US Consumer Preferences for Food Safety, Quality and Environmental Attributes”, China Center for Agricultural Policy, Chinese Academy of Sciences, Beijing, China, July 2013.
 48. Same topic, Center of Agriculture and Rural Development (CARD), Zhejiang University, Hangzhou, China, June 2013.
 49. Same topic, Institute of Advanced Economics Research, Southwestern University of Finance and Economics, Chengdu, China, June 2013.
 50. “Chinese Consumers Demand for Food Safety”, Institute of Food and Resource Economics, University of Copenhagen, Copenhagen, Denmark, November 2012.
 51. Same topic, MTT Economic Research, Agrifood Research Finland, Helsinki, Finland, November 2012.
 52. “Recent Research Projects for China Agricultural Economic Development and Crop Insurance” College of Public Administration, Zhejiang University, Hangzhou, China, July 2012.
 53. “Chinese Consumers Demand for Food Safety Attributes”, College of Economics, Central University of Finance and Economics, Beijing, China, June 2012.
 54. Same Topic, College of Economics and Management, Nanjing Agriculture University, Nanjing, China, May 2012.
 55. Same Topic, AusAsia Business Studies Program, James Cook University, Townsville, Australia, May 2012.
 56. “Cotton Market Integration and the Impact of China’s Exchange Rate Regime.” School of Business,

- Economics and Tourism, James Cook University, Townsville, Australia, May 2012.
57. “Recent Research about Chinese Agricultural and Food Economics”, School of Agriculture and Food Science, University of Queensland, Brisbane, Australia, May 2012.
 58. “Contract Farming: Farmers’ Motivation and Compliance.” School of Economics and Management, Fujian Agriculture and Forestry University, China, June 2011.
 59. “Who Can Chinese Consumers Trust for Safe Foods?” School of Economics and Management, China Agriculture University, China, May 2010.
 60. Same Topic, School of Economics and Management, Inner Mongolia Agriculture University, China, May 2010.
 61. Same Topic, School of Economics and Management, Shanghai Jiaotong University, China, May 2010.
 62. Same Topic, Center for Macroeconomic Research, Southwest University of Finance and Economics, China, June 2010.
 63. “Commodity Market Integration: the case of cotton futures.” International Conference on Globalization and China’s Agricultural Development, Beijing, China, October 2009.
 64. “The New Risk Management Program in the US 2008 Farm Bill.” International Workshop of DelPHE Project on Crop Insurance Application in China, China Academy of Agricultural Science, Beijing, China, June 2009.
 65. “Farmland Use Right Transferability and Mortgage Loans in China.” Department of Economics and Wang Yanan Institute for Studies in Economics (WISE), Xiamen University, China, March 2009
 66. “Agricultural and Rural Development” Panelist, Roundtable Session, CES conference: The Right Policy for China’s Continued Development. Regina, Canada, August 2008.
 67. “Analyzing Farm Level Yield Risks and Crop Insurance with Nonparametric Methods.” Nordic Workshop on Risk Management, MTT Economic Research, Agrifood Research Finland, Helsinki, Finland, July 2008.
 68. “Crop Insurance in the U.S.: Past, Present and Future.” International Workshop of DelPHE Project on Crop Insurance Application in China, Inner Mongolia Agricultural University, Huhhot, Inner Mongolia, China, July 2008.
 69. “An Overview of Crop Insurance Programs in the U.S.” The Second International Workshop of DelPHE Project on Crop Insurance Application in China, China Academy of Agricultural Science, Beijing, China, April 2008.
 70. “Challenges and Successful Tactics for Foreign Born Agricultural Economists.” Organized Symposium, American Agricultural Economics Associations Meetings, Portland, July 2007.
 71. “The Application of Modern Microeconomics in the Green Industry.” Center for Economic Research, Southwestern University of Finance and Economics, Chengdu, China, June 2007.
 72. "Risk Management Strategies for US Farmers in the Pacific Northwest." College of Economics and Management, China Agricultural University, Beijing, China, March 23, 2005.
 73. "Differences in Need and Demand for Health Insurance in Relatively Developed and Under-Developed Rural Areas in China" Guangxi Normal University, Guilin, China, July 2005.
 74. Same topic, Fudan University, Shanghai, China, June 2005.
 75. Same topic, Department of Health Economics and Management, Guanghua School of Business, Peking University, Beijing, China, March 24, 2005.
 76. Same topic, China Center for Economic Research Seminar Series #439, Peking University, Beijing, China, March 9, 2005.

Invited panel discussions (11)

1. “Chinese Agriculture and Food in the 2020s.” Roundtable on Chinese Agriculture, jointly organized by Global Affairs Canada and Finance Canada, Ottawa, Canada, (Virtual), September 2021.
2. “Modified Teaching Models in Coping with COVID-19 by Higher Education: Options, Challenges, and Effectiveness” Agricultural and Applied Economics Association Annual Meetings, Austin, TX,

- July 2021.
3. “Urban-Rural Integration Development in the Post-Covid-19 Era.” CAER-IFPRI Annual Conference, Chongqing, China, October 2020.
 4. “Challenges, Implications, and the Future of Agricultural Trade between the US and China.” Post Conference, Agricultural and Applied Economics Association Annual Meetings, Atlanta, GA, USA, July 2019.
 5. “Issues in Chinese Agricultural Economics.” Roundtable Panel on Strategic Plan for Economics Science Development in China, Chinese Economists Society Annual Conference, Dalian, China, June 2019.
 6. “Accommodating Diverse Cultural Backgrounds among Instructors and Students: Challenges, Reflections, and Suggestions.” Organized by Wen, Y., and Zuo, N, Organized Symposium, Agricultural and Applied Economics Association Annual Meetings, Washington, DC, USA, August 2018.
 7. “Current Traded Issues between China and US”. Organized by Luo, Z., Round Table Plenary Session, The Chinese Economists Society (CES) Annual Conference. Hefei, China. June 2018.
 8. “Trade: Reading the Crystal Ball” Organized by Zhou, M., Round Table Plenary Session, The Chinese Economists Society (CES) 2018 President’s Forum “New Challenges for Economic Policy and Management”. Ningbo, China, June 2018.
 9. “Agriculture and Rural Development.” Organized by Wang, H., Round Table Plenary Session, The Chinese Economists Society (CES) Annual Conference. Nanning, China. June 2009.
 10. “Agricultural and Rural Development Roundtable”. The Chinese Economists Society (CES) North America Conference, The Right Policy for China’s Continued Development” Regina, SK, Canada, August 2008.
 11. “Left behind? Rural Development, Rood Security and Migration.” Organized by Wang, H., Round Table Plenary Session, The Chinese Economists Society (CES) Annual Conference. Tianjin, China. April 2008.

GRANTS AND OTHER FUNDS (total \$4.5 Million, \$2.5 Million directly responsible)

Grants

1. 6/23-5/26. Incorporating Community Impacts and Equity into the Evaluation, Design and Prioritization of Structural Retrofits to Mitigates Natural Hazards Risks. National Science Foundation, \$742,353, responsible for 20%.
2. 1/23-6/23. Disseminating Research at International Conference of Environment in Sapporo, Purdue University International Program in Agriculture, \$1,500, responsible for 100%.
3. 1/22-7/22. Inter-Cultural Communication in Food and Agricultural Issues. Chinese Embassy in the U.S., \$25,000, responsible for 100%
4. 10/21-12/22. Consumer Demand of Meat vs Meat Substitutes in China and Korea and Market

- Implications to the Soybean Sector. Indiana Soybean Alliance, \$70,000, responsible for 100%.
5. 9/20-8/21. Students' Educational Benefits and their Valuation of Alternative Learning Models. Purdue University Provost Office, \$49,968, responsible for 100%
 6. 9/18-8/20. Exploring AgriFood Value Chain in China, Purdue International Program, \$6,000, responsible for 100%
 7. 1/17-12/20. Power Plants Rejuvenated with Biomass: An Economic, Social, and Environmental Sustainable Transition to Clean Power, USDA NIFA, \$497,000, responsible for 25%.
 8. 4/15-6/15. GE Capital Program for Exploring Chinese Agricultural Market, GE Capital, \$75,000, responsible for 12%.
 9. 1/15-12/15. Consumer Preference and Market Potentials for Alaska Salmon in China, University of Alaska at Anchorage Innovate Award, \$25,000, responsible for 40%.
 10. 10/14-2/15. Advising Junior Visiting Scholar in Research about Small Business Finance, Purdue International Program, \$1,000, responsible for 100%.
 11. 8/14-8/15. Establishing Innovative Programs of Education and Research. Purdue entrepreneurial leadership Academy, \$5,000, responsible for 100%.
 12. 1/14-6/14. Disseminating Research at International Agricultural Risk Finance and Insurance Conference in Zurich, Purdue Research Foundation, \$1,000, responsible for 100%.
 13. 1/14-12/17. The Impact Mechanism of Policy Agricultural Insurance on Farmers Behavior: Based on the Field Experiment Hog Insurance. China National Science Foundation, \$90,000, responsible 10%.
 14. 10/13-9/15. Market Potentials for US Midwest Pork in China, USDA AMS, \$46,894, responsible for 100%.
 15. 7/13-12/13. Collaborative Research on Chinese Consumers' Preference for Food Safety Attributes of Duck. Purdue US-China Eco Partnership, \$4,500, responsible for 100%.
 16. 9/12-8/13. Exploring a New Market for US Duck Industry: Chinese Food Service Sector, Indiana Soybean Alliance, \$55,380, responsible for 100%.
 17. 2/11-1/12. Assessing Consumer Preferences and Demand for Fish: A Market Analysis of the Midwest Aquaculture Industry, Illinois-Indiana Sea Grant, \$6,000, responsible for 100%.
 18. 8/11-8/13. An Integrated Economic Study of US Food Safety Issues from Imported Food Products. USDA NIFA, \$75,000, responsible for 20%
 19. 6/11-5/12. Consumer Preferences for Livestock Production Process Attributes: How Should Farm Animals Raised for Food Be Managed to Enable "Socially Sustainable" Systems? Purdue Research Foundation, \$17,059, responsible for 10%.
 20. 1/11-12/13. Study on Farm Household Investment and Its Intrinsic Mechanism. China National Science Foundation, \$40,000, responsible for 5%.
 21. 10/10-9/11. Building A Joint Team in Food Economics with Integrated Research and Education Activities. College of Agriculture at Purdue University. \$3,500, responsible for 100%.
 22. 9/09-8/11. A Market Analysis for Factors Influencing the Duck Demand. Maple Leaf Farms. \$35,000, responsible for 100%.
 23. 1/09-4/09. Developing A Grain Sorghum Pricing Methodology for Crop Insurance Programs. USDA RMA, \$18,780, responsible for 100%.
 24. 12/08-12/11. Report on Industrial Economic Development in China West. Southwestern University of Finance and Economics, \$44,000, responsible for 10%.
 25. 1/08-12/08. Developing an Honor Course on Rising Influence of China and Its Economic Relationship. Purdue University, \$2,000, responsible for 100%.
 26. 1/08-12/08. Demand of Alternative Pork Cuts in China and Import Barriers: A market Analysis for Indiana Hog Industry. College of Agriculture at Purdue University. \$24,986, responsible for 100%.
 27. 1/08-6/09. Study Abroad in China: Globalization and the US-China Economic Interactions. Purdue International Programs. \$7,000, responsible for 100%.
 28. 10/07-6/09. Study on Development Issues and Strategies of Heavy Industrialization in China. China

- National Social Science Foundation. \$14,000, responsible for 10%.
29. 9/07-8/10. The Application of Crop Insurance to Alleviate Poverty and Promote Sustainable Agricultural Production in the Chinese Autonomous Region of Inner Mongolia and Xinjiang. British Commission DelPHE, \$170,588, responsible for 30%.
 30. 8/07-8/10. Enhancing the Asian Studies Curriculum at Washington State University. USDE UISFLP, \$180,000, 10%.
 31. 7/07-6/09. The Assumption and Empirics of Farmers' Risk Attitude in Production: A View from Experiment Economics. Washington State University IMPACT. \$25,000, responsible for 50%.
 32. 1/07-12/09. The Assumption and Empirics of Farmers' Risk Attitude in Production: A View from Experiment Economics. China National Science Foundation, \$21,625, responsible for 10%.
 33. 5/06-8/06. Establish Collaborations with International Peers. Washington State University ORFTG, \$1,000, responsible for 100%
 34. 8/05-8/07. Organic Apple Price in Response to Crop Size Supplied to the Market. USDA IOP, \$17,892, responsible for 100%.
 35. 2/05-7/05. Empirical Analysis of Rural Health Insurance. World Bank, \$10,000, responsible for 100%
 36. 05/03-12/03. Market Economy Education in Underdeveloped Regions in China. Ford Foundation. \$5,000, responsible for 100%.
 37. 10/02-10/07. Income Risk Assessment of Organic Apple Production in the Pacific Northwest. USDA RMA, \$231,699, responsible for 100%.
 38. 10/01-10/04. Pacific Northwest Grain Growers' Income Risk Management. USDA RMA, \$168,944, responsible 100%.
 39. 1/02-12/03. Graduate Assistantship Enhancement in Water Quality Research. College of Agriculture and Home Economics at Washington State University, \$23,400, responsible for 100%.
 40. 3/01-12/01. Disseminate Research Results to and International Audience. WSU AAPI-FSAEG, \$1,000, responsible for 100%.
 41. Ford Foundation \$5,000, responsible 100%.
 42. 10/00-9/03. Improving Water Quality for Salmon Restoration through Integrated Research, Education and Extension Efforts. USDA IREECP, \$400,000, responsible for 30%.
 43. 8/99-8/00. The Possibility of Private Crop Insurance and Reinsurance Markets. USDA NRI, \$34,000, responsible for 100%.
 44. 5/99-8/99. The Impact of Southeast Asian Crisis on Taiwanese Trade in Agricultural Sector. The Chinese Economists Society, \$5,000, responsible for 100%.
 45. 8/99 - 8/02. Managing the Economic Transition to No-Till Farming in the Pacific Northwest . USDA STEEP III, \$49,046, responsible for 30%.
 46. 8/98-8/00. Initiation of a Direct-Seed Cropping Systems Project for the High-Precipitation Inland Northwest. Washington Wheat Commission, \$171,370, responsible for 30%.
 47. 5/98-5/00. Assessing the Economic Viability of No-Till and Related Conservation Systems for Various Agro-Climatic Zones in the Pacific Northwest. USDA STEEP III, \$45,020, responsible for 20%.

Extension Program Fees, Gifts, and Funds Raised for Conferences (responsible for 100%)

1. 8/17-7/23 Purdue-NAU Annual Agribusiness Workshops, \$162,625.
2. 8/16-7/23 Purdue-Zheda Annual Agribusiness Workshops. \$229,555.
3. 2/14-10/22 Mentoring Junior Scholars in Research, \$54,900
4. 7/22 Purdue-CCIEE Applied Economics Research Method Workshop, \$11,800
5. 1/22 Purdue-CCIEE Agribusiness Workshop, 15,600
6. 7/19 Purdue-RUC Agribusiness Workshop, 42,500
7. 7/19 Purdue-CULRU Agribusiness Workshop, 42,500
8. 10/16 Purdue-JAAS Agribusiness Workshop, 8,000

9. 7/11-9/14 Purdue-SWUFEE Annual Workshops, \$75,115
10. 8/17 AAEA Annual Meeting Receptions, \$1,350
11. 5/14 Speech on Global Connection Lecture on Economic Policies in Emerging Economies and their Global Impacts, Purdue GRIP, \$10,000
12. 8/12 AAEA Section Joint Event at International Association of Agricultural Economics Annual Conference, \$3,100
13. 8/11 AAEA Annual Meeting Receptions, \$700
14. 11/09 Purdue – CES International Conference on China Economic Forum, \$9,000
15. 6/09 CES Annual International Conference, \$204,690
16. 3/08 SCC76 USDA Regional Conference, \$2,800
