

**Northwest Michigan Orchard and Vineyard
Show Coffee and Food Sponsorship Program**

Each year, the Northwest Michigan Horticultural Research Foundation offers a “Coffee and Food Sponsorship Program” for the Northwest Michigan Orchard and Vineyard Show. The generous support of local businesses and show vendors has helped us defray some of the cost of coffee, rolls and food we provide for the show attendees and vendors. In return for your donation to the Coffee and Food Sponsorship Program we will list your businesses name in the show program, include your business name on a large board at the entrance to the exhibit area and include your logo in a power point clip during the Industry Luncheon on Tuesday. We recognize our Coffee and Food Sponsorship participants by the levels of their donation.

Diamond	\$1,000 and above
Platinum	\$500 - \$999
Gold	\$100 - \$499
Silver	Up to \$99

We also offer the opportunity to sponsor the Cherry Industry Luncheon, Grape Industry Luncheon or the Wine, Hard Cider and Craft Beer tasting reception, which offers some very special recognition for your business. Contact Jenn Zelinski for information on this special sponsorship.

If you would like to participate in the Coffee and Food Sponsorship Program, please make checks payable to Northwest Michigan Horticultural Research Foundation, and mail them to:
